## University of Louisiana at Lafayette

### LaCarte Purchasing Card

The University of Louisiana at Lafayette ("UL Lafayette") has entered into an agreement with the State of Louisiana ("State") and Bank of America to participate in the LaCarte Purchasing Card program. The Louisiana Purchasing Card ("LaCarte Purchasing Card," "LaCarte Card," "P-Card" or "Purchasing Card") is a Visa credit card issued by Bank of America for the State of Louisiana. All P-Cards are issued with corporate liability, under which the state is liable for the cost of the purchases. The program is based on the strength of the State's financial resources, not the personal finances of the cardholder. Due to the state liability, Corporate P-Cards are to be issued in the name of State of Louisiana employees only.

Cardholders are permitted to purchase low-dollar materials on non-restricted items directly from vendors without the submission of a requisition or issuance of a purchase order. P-Card purchases are generally limited to low-dollar expenditures of \$5,000.00 or less, per transaction. P-Card charges over \$5,000.00, or authorized limit, will be declined at point of sale. The P-Card must also be used for travel-related charges, excluding meals and incidentals.

The Purchasing Card was designed to provide an efficient, cost-effective method of purchasing and paying for small dollar as well as high-volume purchases. This program shall be used as an alternative to the traditional purchasing order process and can result in a significant reduction in the volume of purchase orders, invoices, and checks processed.

The policies and procedures for the LaCarte Purchasing Card were not intended to replace current State Procurement or State Travel Policies, Rules and Regulations, nor Louisiana Statutes or Executive Orders. As a state agency, UL Lafayette employees must adhere to certain state and federal regulations and laws. To ensure compliance with these regulations and laws, LaCarte program participants must comply with the policies outlined in the LaCarte Agreement Form specifically written for their particular role in the program. The policies in the agreement, as well as any revisions by UL Lafayette's LaCarte/Travel Office pertaining to this program, must be followed when using the LaCarte Purchasing Card.

# POLICIES AND PROCEDURES

## University of Louisiana at Lafayette

### LaCarte Purchasing Card

#### Overview:

- The LaCarte Purchasing Card is a Bank of America Visa credit card used by authorized UL Lafayette employees to purchase goods, services and travel expenses up to \$5,000.00, or authorized transaction limit, per transaction, including shipping and handling, and excluding taxes for bona fide University purposes. Any deliberate attempt to use the Purchasing Card for personal use will be considered theft.
- Using the P-Card for purchases of supplies, low-dollar amount equipment and furniture, operating services and/or repairs must comply with proper purchasing procedures, rules and regulations, Louisiana Statutes and Executive Orders.
- UL Lafayette is exempt from Louisiana state sales taxes. The cardholder should notify the vendor of the tax-exempt status prior to any credit card transaction. The cardholder shall not fill out any tax exemption forms. The State of Louisiana's tax exemption number is on the front of the LaCarte card for easy reference or available on UL Lafayette's Purchasing website.

#### Purpose and Benefits of Using the Purchasing Card:

- To simplify and reduce costs of the purchasing and payment processes for goods, services and/or travel expenses under \$5,000.00, or authorized transaction limit. At the discretion of the agency, transactions over \$5,000 must have prior approval from the Louisiana Office of State Travel by requesting it through UL Lafayette's LaCarte/Travel Office. The cardholder may use the card to make legal purchases from vendors without a purchase requisition, direct pay, etc.
- To reduce the number of invoices processed by UL Lafayette's Accounts Payable Department. One (1) monthly master bill is received from Bank of America for all cardholders versus the handling of large volumes of individual low-dollar amount invoices.
- To enable Bank of America to pay the vendor within two (2) business days of requesting payment for merchandise or services.

#### Obtaining a Purchasing Card:

- Each prospective cardholder must complete the **LaCarte Purchasing and/or Travel Card Cardholder Enrollment Form**, which can be found on UL Lafayette Purchasing Department's website.
- A Department Head, Dean, Vice-President, or President must approve the completed enrollment form for each prospective cardholder under their authority. The Department Head, Dean, Vice-President, or President may set spending limits per transaction and/or per billing cycle. Once approved, the form shall be forwarded to UL Lafayette's LaCarte/Travel Office for processing.
- When UL Lafayette's LaCarte/Travel Office receives the requested card from the bank, the cardholder shall be contacted, and cardholder orientation shall be scheduled to give instructions on the proper use of the card. Additionally, each new cardholder will be required to sign a Cardholder Agreement Form

### **How the LaCarte Card May Be Used:**

The LaCarte Card may be used for the purchase of any goods, services and/or travel expenses provided that the transaction does not:

- Exceed \$5,000.00, or cardholder's single transaction limit, including shipping and handling charges, excluding taxes. The card will not accept charges over \$5,000.00, or cardholder's single transaction limit. Transactions over \$5,000 must have prior approval from the Louisiana Office of State Travel.
- Fall within a restricted or prohibited Merchant Category Code.
- Fall within one of the categories listed in the Restrictions on Card Use section of this handout.

Based on individual needs, with written permission by the Louisiana Office of State Travel and approval of UL Lafayette's LaCarte/Travel Office, some restricted merchant category codes may be allowed.

Note: In the event of a declared emergency, UL Lafayette's LaCarte/Travel Office may increase transaction limits for essential cardholders that would be active during an emergency situation. This will not apply to all cardholders. Purchases must be made in accordance with the Statewide LaCarte and CBA Policy. Higher limits do not eliminate the need to follow emergency procurement rules, policies, procedures and/or the Governor's Executive Orders.

### **Purchasing Card Cycle:**

- The LaCarte Card statement date is the fifth (5<sup>th</sup>) of each month. Cardholders should receive an email from Bank of America on the sixth (6<sup>th</sup>) of the month notifying them that the statement is now available online.
- Cardholder shall review the statement for appropriate and accurate charges.
- The original itemized supporting documents for each charge or credit shall be kept in the cardholder's department and attached in Chrome River to the corresponding Expense Report. In the case of an audit, Chrome River is the central repository for all receipts.
- LaCarte transactions are to be reconciled in Chrome River by the fifteenth (15<sup>th</sup>) of the month.
- UL Lafayette's Administrative Services office remits an electronic payment to Bank of America by the twenty-fifth (25<sup>th</sup>) of each month for all LaCarte Purchasing Cards transactions. At no time shall cardholders make payments directly to the bank.

# LACARTE PROGRAM RESPONSIBILITIES

## University of Louisiana at Lafayette LaCarte Purchasing Card

### General Responsibilities:

- Program administrator will maintain a current list of all cardholders and approvers for the LaCarte card program. Program administrator will be responsible for adding new cardholders and approvers to the WORKS system, and also for removing cardholders and approvers who are no longer in that role.
- It is the approver's responsibility to ensure that all cardholders under their authority abide by the requirements of the cardholder agreement.
- It is the cardholder's responsibility to use UL Lafayette's Purchasing Card for payment of goods, services and travel expenses under \$5,000.00, or the cardholder's single transaction limit, including shipping and handling charges, and excluding taxes. The transaction and credit limits on the card have been set by the cardholder's department P-Card Manager. Transactions over \$5,000 must have prior approval from UL Lafayette's LaCarte/Travel Office and the Louisiana Office of State Travel. Reminder: The card will not accept charges over \$5,000.00, or cardholder's single transaction limit.
- It is the cardholder's responsibility not to artificially divide purchases ("split purchases"). Splitting purchases to keep each of the transactions within the limits of UL Lafayette's Purchasing Card is not authorized. Multiple purchases to the same vendor on the same day or within a few days are allowed, if the total dollar amount of the purchases to that vendor does not exceed the cardholder's single transaction limit. Cardholders utilizing a state contract vendor must adhere to the same policy and must ensure that these items are approved contract items. Cardholders must ensure that violation of this policy may result in cancellation of the UL Lafayette Purchasing Card and/or disciplinary action.
- It is the cardholder's responsibility not to allow Louisiana state sales tax to be charged on LaCarte Card purchases. Cardholders must make every effort, at the time of purchase, to avoid state sales tax charges to the card. The State of Louisiana's tax-exempt number is printed on the front of the LaCarte Purchasing Card for easy reference. If state sales taxes are charged, it is the cardholder's responsibility to have the vendor issue credit to the cardholder's LaCarte Purchasing Card or reimburse the university. If a cardholder continually allows taxes to be charged to the card, corrective measures will be taken by UL Lafayette's LaCarte/Travel Office. Corrective measures may include cancellation of cardholder's Purchasing Card privileges or reporting to UL Lafayette's Office of Human Resources.
- The LaCarte Card will remain the property of the State of Louisiana. It shall NOT be transferred, assigned to, or used by anyone other than the designated cardholder. The cardholder shall be required to surrender the Purchasing Card at the request of UL Lafayette or any authorized agent of Bank of America.
- Personal or other unauthorized charges are not allowed on the Purchasing Card. Violations may cause cancellation of card and/or disciplinary action and reimbursement by the cardholder.
- In the event a vendor participates in a program where reward points are earned, gift cards are issued as incentives, etc., cardholder may use these earnings toward the purchase of state goods. The rewards must NOT be used for personal use.
- Cardholder shall never put the full LaCarte Card number in emails, reports, memos, etc. If designation of an account is necessary, only the last four digits of the account number shall be used.

- The P-Card is the property of the State of Louisiana, and the cardholder is responsible for the physical security and control of the P-Card and its appropriate use. The Cardholder is also responsible for maintaining the security of card data such as the account number, the expiration date, and the card verification value (CVV), the 3-digit security code located on the back of the card.
- Cardholder shall secure all assigned WORKS application User IDs and passwords, and shall never share User ID and passwords, leave the work area while logged into the system, or leave log-in information lying in an unsecure area.
- Cardholder shall never send a copy of the P-Card if requested by a merchant. If this is required for payment, then the cardholder must verbally provide the number or use another form of payment other than the State Liability P-Card.
- UL Lafayette retains the right to cancel a cardholder's privileges. Cards may be revoked for misuse or non-compliance with policies and procedures and/or Cardholder's Agreement. Should the policies and procedures and/or Cardholder's Agreement be violated more than three (3) times in any twelve (12) month period, the Program Administrator may cancel the cardholder's LaCarte card.
- It is the responsibility of the cardholder or Supervisor to notify UL Lafayette's LaCarte/Travel Office of a cardholder's extended leave. To reduce the risk of fraud, should a LaCarte cardholder be on extended leave the card profile shall be reduced to a \$.01 limit or shall be suspended. Once the cardholder returns to work, the profile shall be returned to the original limit.
- Should a cardholder be absent during the time when reports and reconciliations are to be processed, approved and submitted to UL Lafayette's LaCarte/Travel Office, cardholder's supervisor will delegate this task to ensure that this process is completed even in the cardholder's absence.
- Online accounts, such as Amazon, eBay, etc., must have a standalone business account or registration and must not be combined with an individual's personal account. Upon request, cardholder is to provide proof that account is set up as a separate business account by providing a list of processed transactions printed from the vendor's website.
- Approvers will be required to review cardholder's limits on an annual basis to ensure appropriate utilization of the card and program intent.
- Cards that remain dormant for a twelve (12) month period shall be suspended unless justification is provided, and approval is granted. If card remains suspended for more than twenty-four (24) months, card shall be canceled.
- Annually, all program participants (i.e. program administrators, cardholders and approvers) are required to complete the most current Agreement Form acknowledging responsibilities associated with the State Liability P-Card Program (LaCarte).
- Annually, all program participants (i.e. program administrators, cardholders and approvers) are required to complete the online certification training program with a passing grade of at least 90.
- A cardholder's approver must be a supervisor (or designee) of the cardholder which would be at least one level higher than the cardholder and be most familiar with the business needs of the cardholder. Each approver may not be the approver for more than twenty (20) cardholders.
- Cardholder's business email address must match the cardholder's name. Another cardholder's email address may not be used without the approval of the Commissioner of Administration.
- Cardholders changing departments within the UL Lafayette campus shall notify UL Lafayette's

- The LaCarte Card is the property of the State of Louisiana. Upon termination or retirement, the card must be surrendered to the P-Card Manager and will be canceled by the program administrator.
- According to the Human Resources Policy, employees separating from the University must complete a Separation Clearance Form and return it to Human Resources once all signatures have been obtained. The Separation Clearance Form certifies that the employee has no unpaid University bills, returned all University property, and removed campus parking permit from vehicle(s). Final paycheck may be held until the Separation Clearance Form is completed and returned to the home department. The department head will forward the completed form to University Administrative Services, and Human Resources. Included in the Separation Clearance Form is a place for UL Lafayette's Assistant Director of Purchasing for Travel/LaCarte, LaCarte program administrator, or designee to sign verifying that the employee's LaCarte card and final reconciliation and supporting documentation have been received. At this time, the LaCarte card will be canceled by the program administrator.
- In addition to the Separation Clearance Form, the IT Department sends UL Lafayette's Assistant Director of Purchasing for Travel/LaCarte an email from the Cherwell System advising of employee departures and transfers.

#### **Telephone, Internet and Mail Orders:**

- Cardholder shall provide vendor with cardholder's name, UL Lafayette's department name, credit card number, tax exemption status, complete shipping address (i.e. street address with internal location such as building name and room number, and department's campus post office box, if possible) and billing address.

- Cardholder shall scan and attach the itemized invoice to the transaction in Chrome River and retain all original supporting documents in the department.

#### **Declined Transactions:**

- If a LaCarte Card transaction is declined, cardholder should notify UL Lafayette's LaCarte/Travel Office. Vendor does not have information related to the reason for decline, nor does the cardholder have the authority to obtain this information. UL Lafayette's LaCarte/Travel Office shall obtain the information on the declined transaction, coordinate resolution and advise the cardholder.
- If a purchase attempt using a LaCarte card is declined, the merchant should not continue to swipe the card if it does not work the first time. The cardholder should call UL Lafayette's LaCarte/Travel Office to determine the cause of the decline.
- Possible reasons for Purchasing Card declines include:
  - attempted purchase exceeds the authorized transaction limit.
  - credit card account is over the monthly limit of transactions and/or spending limit.
  - incorrect entering of credit card number or other credit card information.
  - Vendor's registered Merchant Category Code is prohibited.
  - LaCarte card has not been activated.
  - Bank of America has a fraud watch on card.

### **Statement Reconciliation and Approval Process:**

- The primary responsibility for the reconciliation and approval process rests with the cardholder.
- Each cardholder will receive a statement from Bank of America each month. The LaCarte Card statement date is the fifth (5<sup>th</sup>) of each month. Cardholders should receive an email from Bank of America on the sixth (6<sup>th</sup>) of the month notifying them that the statement is now available online.
- Cardholder shall compare the transactions on the statement with the original sales receipts, invoices, credit card slips, credit receipts, etc. (supporting documentation) to ensure that the dates, vendors and amounts charged match. Documentation is required for all purchases and credits.
- Each transaction listed on the statement must have original supporting documentation. This includes transactions that cancel each other out (i.e. purchase and return for the same item).
- For items purchased over the counter, the cardholder should obtain the customer copy of the receipt. When ordering by telephone, fax, or computer, the cardholder must obtain an invoice or similar document. For items such as registrations, where the vendor does not normally generate a receipt or packing slip, a copy of the ordering document may be used. Acceptable documentation must include a line description, with full description not a generic "general merchandise" description, quantity, and line-item pricing for the purchase. Electronic receipts are allowed if they are un-editable and are maintained in compliance with the agency retention policy.
- For internet purchases, the printout of the order confirmation showing the details, the printout of the order details, or the shipping document if it shows what was purchased, the quantity and the price paid will suffice for the itemized receipts.
- All original supporting documentation for each transaction is to be kept in the cardholder's department. Should any item on the statement be in dispute, a Statement of Disputed Items should be attached to the transaction in Chrome River. Transaction must still be reconciled in Chrome River.
- Cardholder can NEVER be the final approver of their own transactions.
- UL Lafayette's LaCarte/Travel Office is responsible for performing post audits of cardholder transactions to monitor appropriate use while verifying that purchases are made in accordance with Corporate Liability "LaCarte" Purchasing and CBA Card Policy, all current purchasing policies, purchasing rules and regulations, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy and PPM49, if applicable. All reconciled transactions and receipts shall be reviewed for completeness and correct coding by the appropriate comptroller, and UL Lafayette's LaCarte/Travel Office. Monthly certifications that the procedures of the audit section of this policy have been conducted must be submitted to the Louisiana Office of State Travel. The certification will indicate that agency personnel administering the P-card Program has generated the required reports, all requirements listed in policy have been completed, and necessary findings have been investigated, documented and handled appropriately.
- It is encouraged by the Louisiana Office of State Travel that routine audits be performed by UL Lafayette's Internal Auditor once every three (3) years for compliance with State Procurement and Louisiana Office of State Travel Rules and Regulations.
- All transactions and supporting documentation must be, at a minimum, randomly audited, by a second party, either the agency's fiscal section or the agency program administrator.
- UL Lafayette's LaCarte/Travel Office will track cardholder reconciliations as they are received and shall issue reminders to cardholders that have not turned in their LaCarte Purchasing Card Logs by the twentieth (20<sup>th</sup>) of the month.

- The approved account and expense codes for each transaction will be uploaded automatically from Chrome River to the cardholder's budget expenditure account in Banner.

#### **Disputed and Questioned Items:**

- Cardholder shall be responsible for ensuring receipt of goods, services and travel expenses, and resolving any receiving discrepancies or issues of damaged goods.
- Cardholder shall be responsible for settling any disputes with the vendor (except fraudulent charges), clearing duplicated charges, requesting credit for tax, and requesting credit for returned merchandise.
- Cardholder shall notify UL Lafayette's LaCarte/Travel Office immediately if they are suspicious of possible fraudulent charges. If it is determined that fraudulent transactions have been charged, or attempted to be charged, on a cardholder's card, UL Lafayette's LaCarte/Travel Office shall deactivate the card. The cardholder shall contact Bank of America and request that a new card be issued.
- Cardholder shall contact vendor to resolve any outstanding issues.
- If cardholder is unable to reach an agreement with vendor, the Cardholder must complete a Statement of Disputed Items and submit it to Bank of America within sixty (60) days of the statement date on which the item appears.
- A copy of the Statement of Disputed Items should be attached to the transaction in Chrome River.
- UL Lafayette's LaCarte/Travel Office will be available to assist cardholders in resolving disputes to ensure proper credit is given on subsequent statements.

#### **Penalties for Misuse of Purchasing Card:**

Any recognized or suspected misuse of the P-card program should be immediately reported to the agency program administrator and may be anonymously, reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549, or for additional information one may visit <http://oig.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&nid=3&pnid=0&pid=4&catid=0>.

If a cardholder unintentionally charges a personal item on their LaCarte card, it is that cardholder's responsibility to report it to their approver, and to the program administrator. The cardholder shall reimburse the university by making payment to the Cashier's Office in the Student Union or as a payroll deduction. The last four (4) digits of the cardholder's credit card number, expense report number, the fund account number and expense code shall be provided to the Cashier's Office as well. The transaction must be reconciled in Chrome River and the allocation representing "non-reimbursable" (NREIMB) shall be used. If reimbursement is made to the Cashier's Office, a copy of the reimbursement shall also be attached to the transaction in Chrome River for audit purposes. At no time should the cardholder make a payment directly to the bank. In the event this type of purchase happens more than once in a twelve (12) month period, disciplinary actions may be taken.

In the case of willful or negligent default of obligations under the Cardholder Agreement, the State/UL Lafayette has the following rights, to the extent authorized by law:

- To deduct from cardholder's paycheck, any unauthorized charges in accordance with UL Lafayette Purchase Card policy, until all unauthorized charges are paid in full.
- The State/UL Lafayette may pursue any remedy for the recovery of unpaid amounts, including referring unpaid amounts to an attorney for collection.

- The State/UL Lafayette may impose any appropriate corrective or disciplinary action permitted, including cancellation of Purchase Card privileges and/or up to termination and possible criminal charges, under applicable law.

According to the Approver Agreement, failure to properly fulfill responsibilities as a P-card approver could result, at a minimum, in the following:

- Written counseling which would be placed in the employee file for a minimum of 12 months.
- Consultation with UL Lafayette program administrators, and President/Vice President of Administration and Finance and internal audit section.
- Disciplinary actions, up to and including termination of employment.
- Legal actions, as allowed by the fullest extent of the law.

### **Lost or Stolen Cards:**

Cardholder MUST report any lost or stolen cards immediately:

- **Call Bank of America at (888) 449-2273**
  - This number is available 24 hours a day, 7 days a week, 365 days a year. The bank shall immediately cancel the card and forward a replacement card within 3-5 business days.
- **Call UL Lafayette's LaCarte/Travel Office at (337) 482-6243**

### **Returns and Exchanges of Merchandise:**

- If merchandise purchased with the LaCarte Card is not acceptable (incorrect, damaged, defective, etc.), the cardholder shall be responsible for contacting the vendor to arrange for the proper return for credit or exchange. Note: If the return is due to defective merchandise or vendor error, postage should be paid by vendor. If the return is due to cardholder error, or the Cardholder no longer wants the shipment, the Cardholder, not the university nor the vendor is responsible for the cost of the return, unless written permission is granted by the Purchasing Department.
- The cardholder should always retain boxes, containers, special packaging, packing slips and other related or relevant information until certain the merchandise is acceptable.
- For merchandise to be exchanged, the cardholder shall be responsible for returning the merchandise to the vendor and obtaining a replacement as soon as possible.
- For merchandise returned in person, the cardholder shall be responsible for obtaining an original credit receipt from the vendor.
- For merchandise shipped back to the vendor, cardholder shall prepare package according to vendor instructions and retain shipping documents until vendor issues credit or exchanges merchandise. Cardholder should request a shipping label and a Return Merchandise Authorization number (RMA) from the vendor.
- If a shipping charge or restocking fee applies, the charge shall be applied to the LaCarte Card.
- Documentation of the exchange or return shall be retained along with the original supporting

documentation of the original purchase.

- The vendor must issue credit to the LaCarte Purchasing Card. Receiving cash or checks to resolve a credit is strictly prohibited.

**Surcharge/Convenience Fee:**

Merchants may include a surcharge or convenience fee. VISA and MasterCard have strict merchant guidelines governing the assessment of surcharge fees:

- The merchant must register with VISA 30 days prior to beginning a surcharge policy.
- The merchant must provide clear disclosure to the customer.
- The amount of the surcharge must be listed as a separate item and detailed on the receipt.
- The surcharge must apply to all credit cards accepted by the merchant.
- The surcharge must be equivalent to the merchant's interchange rate but cannot exceed 4%.

For any charge where the Supplier has charged a surcharge, a cardholder or user should obtain a copy of the acknowledgement letter sent to the Supplier by Visa authorizing the Supplier to impose a surcharge as part of their supporting documentation.

Convenience Fees are charged as a flat fee (regardless of the total cost) when purchases are made via one form of payment channel over another – online or by phone vs. in store or by mail.

#### **Important Things to Remember:**

- Any "pattern" of misuse may cause cancellation of the Purchasing Card and/or disciplinary action. All transactions are to be reconciled in Chrome River.
- To reduce the risk of fraud, if a LaCarte cardholder is on extended leave the card profile shall be reduced to a \$.01 limit or shall be suspended. Once the cardholder returns to work, the profile shall be returned to the original limit.
- Cards that remain dormant for a twelve (12) month period shall be suspended unless justification is provided, and approval is granted. If the card remains suspended for more than twenty-four (24) months, card shall be canceled.
- Purchases cannot exceed \$5,000.00, or the single transaction limit, including shipping and handling.
- Purchases shall not be artificially divided ("split purchases"). Splitting purchases to keep each of the transactions within the limits of the Purchasing Card is not authorized. Multiple purchases to the same vendor on the same day or within a few days are allowed, if the total dollar amount of the purchases to that vendor does not exceed the cardholder's single transaction limit. Purchases made utilizing a state contract must adhere to the same policy. Violation of this policy may cause cancellation of the Purchasing Card and/or disciplinary action.
- UL Lafayette is exempt from Louisiana state sales taxes on all purchases, including but not limited to meals and hotels within the state of Louisiana. Cardholder shall notify vendor of UL Lafayette's tax-exempt status prior to any transaction. The State of Louisiana's tax exemption number is printed on the front of the LaCarte Purchasing Card for easy reference. Cardholder shall not fill out any tax exemption forms.

- To avoid tax being charged, on-line orders should be called in if the order form does not provide a place to enter UL Lafayette's tax identification number. If tax is inadvertently charged, it is the cardholder's responsibility to have the tax credited back to their account within 30 days of the transaction being made. If this is not possible, the cardholder will be responsible for reimbursing the taxes back to the university.
- Some vendors require their own Tax-Exempt Account Numbers instead of the one printed on the top of the LaCarte card. These vendors are: Home Depot (#9985783070), Lowe's (#301500293), and Office Depot (#36087878). Wal-Mart (contact UL Lafayette's LaCarte/Travel Office for a tax-exempt card), and Best Buy (requires that the cardholder apply online for a tax-exempt card).
- In the event a vendor participates in a program where reward points are earned, gift cards are issued as incentives, etc., cardholder may ONLY use these earnings toward the purchase of state goods. The rewards must NOT be used for personal use.
- The LaCarte Purchasing Card cannot be transferred, assigned to, or used by anyone other than the designated cardholder.
- If items are being shipped, the cardholder must provide vendor with complete shipping address along with cardholder's name, department, building, room number, post office box and telephone number. Cardholder must ensure that shipments of merchandise are sent directly to the requesting department. Cardholder must not have items shipped to Central Receiving unless Central Receiving is notified in advance, along with the reason the item cannot be shipped to the requesting department. **Cardholder must not have packages delivered to their home address unless special permission has been granted by UL Lafayette's LaCarte/Travel Office.**
- Registration fees for webinars, on-line courses and conferences are permitted charges on the LaCarte card.
- Registration fees for virtual conferences are not considered travel, and do not require a Pre-Approval in Chrome River.
- If a conference is anywhere but the UL Lafayette campus, it is considered travel and a Travel Pre-Approval must be submitted through Chrome River, even if no other expenses are claimed except the registration fee.
- **No LaCarte cardholder may pay for travel expenses for other employees.** The cardholder MAY NOT pay for registration, lodging, airfare, rental vehicles, etc. for anyone but themselves. The only exception to this is when traveling with students. Please contact UL Lafayette's LaCarte/Travel Office for more details concerning student travel.
- Cardholder shall assure that prices paid are fair and reasonable by comparing prices from more than one vendor.
- Cardholder shall obtain original, itemized supporting documentation for each transaction, and shall verify all information on document.
- Any pre-approved exceptions to LaCarte Card purchases must be in writing from UL Lafayette's LaCarte/Travel Office. Written documentation of approval must be attached to the transaction in Chrome River.
- Any purchases not allowed on the LaCarte card shall be submitted on a Purchase Requisition through Banner.

- If there are issues with transactions in Chrome River, the transactions will be adjusted (if possible) or returned to the cardholder's Chrome River dashboard. An email will be sent from the Chrome River system notifying the cardholder of what has been changed, or of what needs to be corrected. If the transaction is not corrected, the transaction will be charged to NREIMB ("Due from Employee" account) and deducted from the cardholder's paycheck.

## SPECIAL MEALS:

Special Meals are meals consisting of two or more people. Meals where one or more people entertain a job candidate or invited guest, or an employee working meeting where a meal or refreshments are served are considered Special Meals and require approval via a Special Meals Pre-Approval in Chrome River. Once approved, the meal can be paid for with a LaCarte card or with personal funds.

A numbered list of attendees or a sign-in sheet, including their affiliation with the university, and itemized receipt must be attached to the Expense Report in Chrome River. If more than 15 people are invited to the function, a flyer or email showing who was invited may substitute for an actual list of attendees; however, the number of anticipated attendees must be provided.

Note: When using a LaCarte card, the cardholder must have "General Purchasing" privileges on their LaCarte card, or the transaction will be declined.

Special Meals per person rates follow the current GSA rates for the area in which the meal is held.

The current rate (10/21/24 – 6/30/25) for Lafayette is:

- \$16 Breakfast
- \$19 Lunch
- \$28 Dinner
- \$5.50 Refreshments (If all day event, one refreshment is allowed during morning session and another during afternoon session.)

**Delivery fees, service fees, out of state taxes, china rental, and cups, plates and utensils are added to the cost of the food when calculating the per person rate.** A tip of up to 20% of the allowable sub-total, before any added fees, is allowed in addition to the meal rate. Louisiana state sales taxes are not allowed. Room rental charges, tents, tables, chairs, fountains, chafing dishes, linens, bartenders/servers, and/or audio-visual equipment rental are to be invoiced separately, and are not added to the per person cost of the meal. **Non-cash fees are not added to the cost of the food when calculating the per person rate.**

If alcohol is served, a separate receipt must be issued and paid for with personal funds. If Foundation funds are to be requested, a Foundation Warrant may be submitted for reimbursement to the employee. Alcohol can NEVER be charged on the LaCarte card.

## INVITED GUESTS:

A request for bringing a job candidate or other invited guest to the university must be submitted on a Pre-Approval through Chrome River. The invited guest will be responsible for paying for their own travel expenses and then submitting receipts for reimbursement (if this has been agreed upon) to the person who submitted the Pre-Approval. Invited Guests cannot claim the daily Travel Meal Allowance. They must turn in receipts for reimbursement. UL Lafayette will not reimburse the guest for any alcohol purchases.

If a LaCarte cardholder will be paying for any of the guest's travel expenses, the state travel regulations apply

(no state sales tax, GSA rates for lodging, Christopherson for airfare, etc.). LaCarte cardholders should not pay for airfare for job candidates.

The estimated cost of any personal meals that the guest will have must be included in the amount of the Pre-Approval. The cost of the meals that will be provided **with** UL Lafayette staff/faculty as a group will be encumbered on a Special Meals Pre-Approval instead.

If the invited guest is traveling to Lafayette as part of a Professional Services contract (Professional, Consulting, Personal, etc.), travel expenses should be included in the contract and not submitted through Chrome River.

  - Travelers wishing to include personal travel days **must have the additional days approved through UL Lafayette's LaCarte/Travel Office prior to booking the airfare**. If personal days require booking a multi-city flight that will stop in a different location for the personal days, the traveler must provide a quote from Christopherson showing that this route is equal or less than a flight for business purposes. UL Lafayette will only be responsible for the lowest logical airfare to the approved destination. If the lowest logical airfare quote is not provided, the **entire** airfare charge will be denied and coded to Non-Reimbursable (NREIMB). UL Lafayette will not pay for food, lodging, or any other expenses during personal travel days.
  - University approved travel days are 1 day prior to the conference and returning the day after the end of the conference for domestic conferences, and leaving 2 days prior to the conference and returning the day after the end of the conference for international conferences. If more days are needed, justification and prior approval is required by UL Lafayette's LaCarte/Travel Office.
- **HOTEL/LODGING** – Must be paid for with the traveler's LaCarte card, and the university will only be

responsible for PPM-49 (GSA) allowable rates for the area, unless otherwise approved.

- If staying at a conference hotel, the conference rate is permitted even if over the allowable state rate.
- If a hotel is not available within the allowable rate, permission may be granted to pay up to 50% higher than the allowable GSA rate. This request and justification must be submitted on the Pre-Approval in the Business Purpose field or the Description field of the Pre-Approval and must be approved by Department Head, prior to making the reservations.
- Allowable state rate is per person. (Example: If the allowable rate is \$96/night and 2 people with approved Travel Pre-Approvals are sharing a room, then the allowable rate for that room is \$192/night.) Each person must pay for their share of the room with their own LaCarte card. Hotel must issue a separate invoice to each person.

- **Personal Vehicle:** If neither of the above options is feasible, travelers must seek prior approval from their department head to use their personal vehicle for travel over 99 miles. Documentation must be provided showing why a state or rental vehicle is not an option. If this documentation is not provided on the Pre-Approval, traveler will only receive mileage reimbursement for 99 miles. Reimbursement for mileage will be based on the current **GSA rate**. You can find the current rate here: [GSA Mileage Reimbursement Rates](#).
  - For out-of-state travel, **mileage reimbursements cannot exceed the cost of the lowest logical airfare** for the same trip. Additionally, travelers are responsible for any personal expenses incurred during the trip, such as meals and lodging. If the lowest logical airfare quote is not provided on the Pre-Approval, traveler will only receive mileage reimbursement for 99 miles.
  - If a traveler is requested to take their personally owned vehicle out-of-state for a purpose that will benefit the agency, then the department head may, on a case-by-case basis, agree to pay a traveler for all or part of in route travel expenses (for example – lodging, meals, and mileage). Documentation must be kept on file to show cost savings or justification as to why personal vehicle mileage, lodging, and meals while in transit were approved for out-of-state travel exceeding 99 miles.
